

## Definitions and Instructional Strategies

### Grades 5-12

**Targeted Instruction**—In combination with classroom differentiation, it may be necessary for students scoring in the 99<sup>th</sup> percentile on the SIGS and SAGES II to have their needs met using options beyond the classroom and extended learning opportunities. In addition to the options listed under the Universal and Extended Instruction the following teaching options may be appropriate:

- WCATY online classes
- Great Decisions Program
- Gifted and Talented Retreats
- Subject acceleration
- Youth Options
- Independent study
- Mentorship
- Distance learning
- Early graduation
- Individual counseling
- Online classes
